

SUPPORT THE WHS SCHOLARSHIP FUND

The new Watertown High School will be a modern state-of-the-art facility. It is designed to provide the environment necessary to prepare graduates for the challenges of education in the 21st century and to maintain the school's leadership position among the other secondary schools in the state of Tennessee.

Join us and show your support by having your name added in the Purple Tiger Passage of the new WHS.

A personalized brick inscribed with your name or that of a relative or friend will become a permanent fixture in the rotunda walls of the new high school building. All donors will be recognized in the WHS Purple Tiger Passage.

About Your Brick

Artist Rendering of New Watertown High School

By purchasing a personalized brick you will help ensure a brighter future for aspiring and deserving young people in the Watertown Community.

A SPECIAL TIME

The new Watertown High School, scheduled to open in August of 2014, marks a special event in the history of Wilson County Schools. Watertown High School is the oldest high school in the county as it opened in 1911. The WHS Class of 2015 will celebrate our schools 103rd commencement at this grand new facility.

Your donation of \$100 or more purchases one 4"x8" brick inscribed with your name and other appropriate information (Class year, business, organization name, etc...)

For \$100 you can purchase a commemorative brick. Honor a teacher, coach, student or loved one; celebrate a WHS club/team; or remember a special event in your life at WHS. Bricks make thoughtful graduation, birthday or holiday gifts! Proceeds will benefit the WHS Scholarship Fund. These bricks will create a hall inside the high school rotunda. More importantly, these bricks will create a lasting testament to the legacy of loyal alumni, faculty & friends and a passage for generations of future students to follow in pursuit of their dreams for a top quality education.

Your brick includes two lines, up to 18 characters per line (counting spaces and punctuation).
